Part A: CM License Keys

The Civic Mirror allows a class of students to become citizens in a shared, simulated country... both online and in class. One license key, therefore, creates one CM Country Account for one class of students. Complete your license request below. Note that first-time schools can request Free Trials.

Regular License Rate

To cover set-up, admin, and support costs, a school's first CM Country Account is always \$300, while the second one is free. Additional licenses are \$150.

- 1st Country Account \$ 300
- 2nd Country Account FREE
- Additional Accounts \$ 150

Quantity (# of classes) _____ \$ _____

Special License Rate

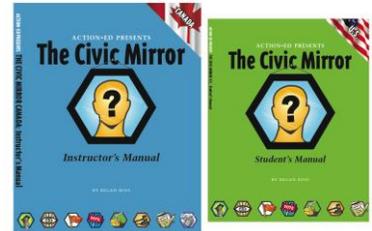

If your school has been granted a special subscription rate (e.g. CM Showcase School), please explain below. If you are interested in becoming a CM Showcase School contact us at info@action-ed.com:

\$ _____

Part B: Manuals

The CM Manuals are essential for successful use of the program!

While schools may access the mobile-friendly digital manuals, OR make their own copies of the PDF Draft Manual for FREE, the published versions are page-synchronized, bound and re-issuable, and the absolute best for in-class use.

To order published manuals complete the details below:

- Published Student Manuals (\$13.95 each) x _____ (desired quantity) = \$ _____
- Published Instructor Manuals (\$129.95 each) x _____ (desired quantity) = \$ _____
- No thanks, we'll use the Digital versions and/or PDF Drafts for FREE

Shipping fees will be added to final invoice.

* **Part B Sub-Total** = \$ _____

Part C: Training Bundle

School districts often invest in CM Training to kick-start a multi-school Civic Mirror initiative. We offer discounts on manuals and subscription costs with training. Book an on-site training session to maximize your Civic Mirror investment, helping your educators to learn how to:

- ✓ Master *civicsmirror.com*'s major features,
- ✓ Capitalize on the rich classroom experiences CM provides and implement best practices,
- ✓ Re-think 'coverage' and switch their approach to a student-centered perspective
- ✓ Plan your first unit or course outline with the Civic Mirror
